

DESERT WOODCRAFTERS ASSOCIATION (DWA)

ZOOM Meeting Minutes

June 6, 2020

The President, Paul Swane, called the meeting to order on ZOOM at 9:05am in Ken Tower's shop. Terry Glover and Paul Swane co-hosted the meeting. There were 24 woodworkers (and guests) from DWA and SAZWA signed in via ZOOM. Welcome to DWA's new member Adrian Barton.

After everyone was signed in, the meeting progressed to a demonstration by Ken Tower on Dovetail Joints using a Dovetail Jig.

Following the demo, there was a short Show-and-Tell. Thank you to everyone who displayed something.

There was discussion about having future Demo's via ZOOM on the use of table saws, turning acrylics, etc. If we cannot do a particular demo at Flowing Wells HS due to the school's hardware limitations, we can do it live via ZOOM from someone's shop.

President's Note:

I would like to thank Ken Tower for doing our Demo today. Also thanks to Terry Glover for hosting our meeting. I asked for suggestions for additional demos and volunteers to do the demos. Ken has offered to do another on table saw basic. Frank and Terry also offered. We will follow up and plan for the next couple months. Please share your ideas. Hope you learned and enjoyed.

Paul

We will email the information for the next DWA meeting tentatively scheduled for July 4th at a later date. Watch for future emails.
